## Notes

### **Annual Software Assurance (ASA)**

vFiler is not Subscription software. vFiler™ is licensed by a software key. Upon receipt of payment, the software key (dongle) will ship. The dongle has a lifetime warranty. **WARNING:** If the dongle is lost by the end-user the end-user will have to re-purchase the dongle at the prevailing reseller partner cost of the dongle to re-activate. Defective dongles will be replaced upon return and validation of the defect. Purchase includes the Annual Software Assurance (ASA) Plan for one year. Starting year two End-User can purchase the ASA Plan (see price sheet) for subsequent years. The ASA includes all software enhancements, updates, patches and three incidents per year. Additional support can be purchased in one-hour segments payable in advance. Support is provided via our portal at <http://support.vircosoft.com> &/or via email. End-User can purchase the Annual Software Assurance Plan after year one. The ASA Plan does not include installation, set-up, workflow design or training. Training videos are available on the VircoSoft web site.

HighPoint is not Subscription software. Purchase includes the Annual Software Assurance (ASA) Plan for one year. Starting year two End-User can purchase the ASA Plan (see price sheet) for subsequent years. The ASA includes all software enhancements, updates, patches and three incidents per year. Additional support can be purchased in one-hour segments payable in advance. Support is provided via our portal at <http://support.vircosoft.com> &/or via email. End-User can purchase the Annual Software Assurance Plan after year one. The ASA Plan does not include installation, set-up, workflow design or training. Training videos are available on the VircoSoft web site.

KnowledgeTree is Subscription software (yearly license renewal). Purchase includes the Annual Software Assurance (ASA). The ASA plan includes all software enhancements, updates, patches and unlimited support per year. Support is provided via KnowledgeTree's support portal at <http://issues.knowledgetree.com>. The ASA Plan does not include installation, set-up, workflow design or training. Additional support can be purchased on an as needed basis. Training videos are available on the VircoSoft web site.

### **Technical Support**

Additional technical support for workflow design, consulting, set-up, installation or training may be purchased in one-hour blocks. Time will be decremented per incident with a minimum of 15 minutes per incident. Technical support will be provided via email, phone or remote connection as required.

### **All Sales Final**

The VircoSoft technical support team is available to assist as you evaluate our software including demonstrations and teleconference discussions. VircoSoft provides a wide range of training videos and other collaterals all available before and after the sale. VircoSoft guarantees that the software you purchase will perform exactly as demonstrated.
